RICERCA
E TRADIZIONE

Fabbian Illuminazione si costituisce nel 1961 quale azienda produttrice di lampade per l'habitat e il contract. Questa cultura unitamente alla tradizione e alla qualità si è sempre espressa nella valenza del prodotto, consentendo all'azienda di acquisire progressivamente riconoscimento e dimensione internazionali. I risultati scaturiscono dalle esperienze di continue ricerche, tese sempre ad interpretare al meglio le esigenze dei mercati, elaborando precise politiche e strategie di marketing.
Fabbian che ha sede in Italia e qui produce tutte le sue collezioni, interpreta con personalità le nuove tendenze del moderno design attraverso una molteplicità di stili, utilizzando tecnologie produttive all'avanguardia ed avvalendosi di un folto gruppo di designers internazionali.
Il settore ricerca e sviluppo è costituito da un team di tecnici qualificati ed esperti, dotati dei più avanzati sistemi computerizzati di elaborazione e controllo.
L'esperienza maturata presso centinaia di punti vendita qualificati in tutto il mondo, si è tradotta in una cultura produttiva che non prescinde da nuove ricerche e metodologie costruttive.
Commercialmente l'azienda ha sviluppato un'articolata rete di vendita, capillarmente diffusa in Italia, in Europa ed in Asia e con sedi di rappresentanza negli U.S.A. e ad Hong Kong.
La componentistica, parte essenziale del prodotto, è sempre di alta qualità ed affidabilità. La costruzione, il montaggio e l'assemblaggio elettrico sono effettuati con gran cura con sistemi e gestioni flessibili, controllate in ogni fase del ciclo produttivo, per ottenere un prodotto che corrisponda alle norme di sicurezza previste. Non a caso i prodotti Fabbian rispondono ai requisiti richiesti dagli istituti di certificazione più qualificati. L'azienda stessa è certificata UNI EN ISO 9001.
L'azienda conta su un servizio di assistenza tecnica in grado di fornire informazioni e soluzioni per il migliore utilizzo dei prodotti, attraverso un efficiente servizio ricambi e fornendo documentazioni particolareggiate, che permettono una risposta immediata ed adeguata al cliente.

RESEARCH
AND TRADITION

Fabbian Illuminazione was established in 1961 as a company manufacturing lighting appliances for homes and for contract work. This aspect together with tradition and quality has always been evident in the product, with the result that the company has gradually acquired international dimensions and recognition.
Results have been achieved through continual research aimed at interpreting market demands, while setting up precise marketing policies and strategies.
Fabbian, North East Italy based, manufactures all the components inside its own business units, gives her distinctive touch to new modern design trends through a wealth of styles, using advanced production technologies, interpreting the new concept ideas from a pool of international architects and designers.
Research and Design is carried out by a team of qualified experts using computerised processes and control systems.
Experience, over a professional and qualified worldwide dealer net, always leads to the consolidation of specific technologies, forming a production philosophy that cannot be separated from new research and constructional methods.
Commercially Fabbian is present on the Italian, European and Asian markets through a net of agents and retail shops and sister companies in USA and Hong Kong.
Top quality, reliable components are an essential part of the product. The construction, assembly and wiring are carried carefully out, checked at each stage of the production cycle in order to obtain a product that complies with envisaged safety regulations. Fabbian lighting fixtures, in fact, meet the strictly requirements prescribed from the major and qualified certification organization. Further, the company is UNI EN ISO 9001 certified.
The company provides an after-sales service, giving a prompt, suitable response to customers in terms of information and solutions on best use of its products, through an efficient spare parts service and detailed documentation.
